MATERIALS

All products are manufactured using only premium quality 100% acrylic yarn. All items are machine washable.

MINIMUMS

Standard minimums are shown on the price list.

LOGOS & SPECIAL SET-UP

Capability to knit-in logos, special designs & patterns, or lengthy copy depends solely on the artwork. Please submit artwork for knitting capabilities and a quotation of set-up charges. Artwork may be submitted by email, fax or standard mail. Embroidery is available with a digitizing fee. Please allow extra delivery time for artwork and embroidery.

DELIVERY

Normal production time is approximately 3-6 weeks from confirmation of the order. Allow additional time for credit approval on new accounts, approval of samples or artwork and special requests. All orders will be shipped UPS Ground, unless specified FOB our plant. Drop shipments are available at \$5.00 per address. Because we cannot be responsible for delays in transit, orders are accepted on a shipping date basis only. We assume no liability for non-fulfillment caused by strikes, fires, inability to obtain raw materials and other causes beyond our control.

PACKAGING

Individual packaging is available on most items for an additional charge. Please contact customer service for more information.

HANG TAGS

If hang tags are required, please be advised that they must be received a minimum of 1-2 weeks prior to ship date depending on order quantity. Please contact customer service for current charges.

BLOCK STYLE LETTERING

Because of the uniqueness of the knitting process, please request a copy of our standard block lettering if letter style is of importance.

CANCELLATION

If an order in process is cancelled, labor and materials used to date will be invoiced. Any completed goods will also be invoiced.

QUANTITY VARIATION

All orders are subject to quantity variances. Orders of less than 144 pieces can be + or - 10% and 144 pieces or more can be + or - 5%. The final invoice will reflect the actual quantity shipped and the customer agrees to accept and pay for overages.

TRADEMARK USAGE

All copy or materials submitted by the customer used in producing the order will be accepted as being submitted in full compliance with all applicable laws regarding trademark, service mark, copyright, right of privacy, patent, or similar protection. The customer agrees to hold the manufacturer harmless from any liability that may result from usage of art submitted by the customer.

LICENSING

The price list does not include licensing or royalty payments. Appropriate royalties and licensing fees will be added when required. Purchaser is responsible for notifying factory of license status.

SAMPLES

Random samples are available. We will provide a limit of two per customer at no charge. Quantities in excess of two will be charged end column pricing. Random samples will be shipped via U.S. Mail on the following business day. If a different method of delivery is preferred, the shipping cost will be charged to the customer. Pre-production samples are available and can be produced for the cost of set-up plus merchandise cost. Call us for specifics.

PRICES

Prices are subject to change without notice. Please call for pricing on quantities not shown in the price schedule.

TERMS

Net 30-day terms are available with approved credit. The credit approval process may take up to 4 weeks and will delay your order by that amount of time. It is suggested that in order to expedite your initial orders, a pre-payment may be made with your purchase order. Credit cards are accepted (MasterCard, Visa, American Express, Discover).
